

INSPO:
Sleek, contemporary building design and the seamless elegance of classic architectural lines

THE COLOURS:
Beautiful shades of white with soft yet strong veins and subtle natural, earthy tones.

THE COLLECTION:
The ultimate in contemporary tile design, the all-new Jewels Marble range of 6mm Ultraslim Tile Panels is breathtaking. Easy to install and a dream to clean, these large-format tiles are simply magnificent. In standard-size bathrooms the panel covers the full wall height with no grout lines, floor to ceiling. Combine the Jewels Marble wall tiles with the stunning Glocal collection floor tiles that replicate the world's most beautiful natural stones and marbles in easy-care porcelain. The Jewels and Glocal collections have been expertly colour-matched in Italy to be totally complementary collections, allowing specifiers to blend the more modern look of concrete with timeless and elegant marble. Ideal for internal and external use. Each tile was made in Italy and is exclusive to National

NATIONAL TILES & GRAND DESIGNS:

Grand Designs has partnered exclusively with National Tiles to create the stunning Capsule Collection of high-quality, affordable tiles and flooring. All products are hand-picked according to *Grand Designs*' ethos and principles, allowing you to create your own grand design at home with National Tiles.

The procurement team travels to Italy several times a year, working closely with supply partners and design teams to source new manufacturers and offer Australians the best possible tiles available. Italy is well

respected throughout the world for excellence in the ceramics industry and is renowned for its quality products, their innovative design and classic appeal. National Tiles carries a large range of Italian-made products including the "Ceramics of Italy" collection, which showcases the expertise, style and design heritage synonymous with Italian tiles.

THE TILES: GLOCAL

Replicating smoothed concrete in a porcelain tile, the Glocal series is delicate yet profound, providing a blank canvas to customise and complement fittings and furnishings. Glocal is available in a range of subtle colourways and finishes, in traditional sizes of 300mm x 600mm x 100mm, 600mm x 600mm x 100mm, and 1200mm x 600mm x 100mm. The range is also available in the 6mm large-format panels, 2780mm x 1200mm and 3200mm x 1600mm.

JEWELS MARBLE

The marble effect of the Jewels series has a timeless beauty that goes beyond trends, offering a classic look is perfectly suited to contemporary lifestyles. This stunning collection replicates the age-old beauty of Calacatta marble in high-quality porcelain with all its charm and variation. Available in a range of sizes from 600mm x 600mm to the 6mm Ultraslim, 2780mm x 1200mm plus a made-to-order version in 3200mm x 1600mm.
